I/We pledge to:

- Operate a community driven market that provides high-quality, nutritious, and safe products.
- Foster transparency in our market by requiring truth in labeling and by offering opportunities for shoppers to learn about the foods sold at the market.
- Provide exceptional services and education programs to our market patrons and vendors.
- Incubate small food businesses and support farmers and food entrepreneurs in making their operations more sustainable.
- Expand public access to fresh fruits and vegetables and teach skills for growing and preparing them.
- Work toward a healthy, just, and sustainable food system through education, advocacy, and action.
- Encourage cross pollination through vendors supporting one another by purchasing produce from market farmers for use in artisan products.
